Dear Chapter Members,

Schedule of Meetings

Our Chapter was pleased to have **John D. Willey, FASA, International Senior Vice President**, as our guest speaker at our last month's luncheon. The Atlanta Chapter was the first one to learn about the proposed cooperation of ASA with the Appraisal Institute (AI) and the American Society of Farm Managers and Rural Appraisers (ASFMRA). In the last couple of days a joint statement of ASA, AI, and ASFMRA was issued to the members of the three organizations about the proposed unification. Each society will retain the professional designations awarded to its members and the organizations will work together toward developing a reciprocity system for certain appraisal disciplines. You could send your comments, while the plan on the proposed unification is developed to asainfo@appraisers.org.
