November, 2006

Dear Chapter Members,

This month the Atlanta Chapter meeting will be held on November 17th at Maggiano's in Buckhead. As valuation professionals, we are always concerned with the outlook for the economy. In the month of November, economists review the overall performance of the economy and discuss their short- and long-term forecasts. If you like to know where the economy is heading or have a question about recent events and developments, please join us for Dr. Tom Cunningham's presentation next Friday.

Keynote Speaker: It is a Chapter tradition to invite **Dr. Tom Cunningham**, Vice President and Associate Director of Research for the **Federal Reserves Bank of Atlanta** as our guest speaker.

Dr. Cunningham is responsible for the operation of the research department including budget and personnel planning as well as oversight of the Atlanta Fed's *Economic Review*. He serves on the Bank's Personnel, Automation, and Risk Management committees.

Advancements: The Chapter is pleased to announce the advancement of two of our members:

- Scott N. Breier to Accredited Senior Appraiser in Machinery & Equipment, and
- Scott A. Ribeiro to Accredited Senior Appraiser in Machinery & Equipment. Congratulations to both!

Reaccreditation: During last month two of our Chapter members, **Martha Burton Lyons, ASA**, and **Paul L. Appel, ASA**, have successfully completed the ASA Reaccreditation requirements.

New Chapter Members: Joseph McDermid has met the ASA requirements to become an associate.

Reservations: Please confirm no later than noon on Tuesday, November 14th. Luncheon is served at noon at Maggiano's in Buckhead. The restaurant address is 3368 Peachtree Rd., Atlanta, GA 30326.

Thank you and looking forward to seeing you at the meeting.
